Kindness Connection

The VIP Experience - Volunteering in Place

Thank you to the team from Salesforce for hosting a Kindness Connection at their Burlington location recently. Twenty-eight employees came together to create 56 beautiful Signature Bouquets that were delivered to Northwood Rehabilitation & Health Care Center in Lowell. Mary S., Senior Director, Marketing Cloud Content Experience, stated, " The flower arranging volunteer event that Power of Flowers Project hosted for our Burlington office was a wonderful way for us to connect and be creative. Repurposing the beautiful flowers in a way that brings joy to others was an amazing experience! Thank you!"

Many thanks to Mary S. and Ashley A., Senior Program Manager at Salesforce, for helping to bring our Kindness Connection Workshop to their volunteers through their VTO (volunteer time off) program.

Kindness Connection

The VIP Experience - Volunteering in Place

Thank you to Manodnya L. for introducing Power of Flowers Project to her Community Service Committee at Cartera Company in Lexington MA. The company was looking to host a volunteer opportunity for employees, and a Kindness Connection was the perfect fit!

The event was held at their location on June 29th where employees came together to create beautiful Signature Bouquets that were delivered to Bayberry at Emerald Court in Tewksbury.

Many thanks to Nancy K. of Catera for coordinating the event.
