Another gorgeous day to gather with friends!

FOR HELPING US CONTINUE
OUR MISSION OF
SHARING HOPE AND HAPPINESS

The Flower Chronicles

Thank You

How do we always manage amazing weather at our luncheon? Our response, "The universe is on our side!"

Volunteers, friends, and community leaders enjoyed seeing each other while supporting our mission to ***Share Hope and Happiness***. With over 140 guests in attendance, this theme of this year's buffet luncheon was celebrating the wonderful partnerships and programs that make fulfilling our mission possible!

On behalf of all of us at Power of Flowers Project, we wish to thank you for your continued support. We are truly honored to have the generous backing of those who believe in our work. When seniors and veterans experience an unexpected moment of joy and a kind connection from a bouquet of fresh flowers, compliments of Power of Flowers Project, we know we are making a difference. What we provide may seem small, but our impact is tremendous!

"If we could see the miracle of a single flower, clearly our whole life would change." *Buddha*

The Flower Chronicles

Thank you to the team from Sentinel Group for hosting a Kindness Connection VIP (Volunteer in Place) Experience at their Wakefield location on September 20th. Coordinated by Michael Newhall, Vice President of Business & Community Development, 15 employees came together to create 30 beautiful Signature Bouquets that were delivered to Brightview in Wakefield.

We discussed our mission and explained how Sharing Hope and Happiness is vital to the well-being of those living in care facilities. Volunteer Donna Nichols Stewart worked with participants to create beautiful bouquets.

If you're interested in hosting a Kindness Connection VIP (Volunteer in Place) Experience for your employees, please email michelle@pofproject.org.
