With the Holiday Season upon us, we reflect on our blessings and are thankful for those who enrich our lives...

Our volunteers, who share their time and talent for all the tasks needed to create and deliver beautiful bouquets for those in need of a smile

The caregivers, who work tirelessly to keep our elderly and veterans safe and happy

Our donors, whose flowers and monetary gifts allow us to fulfill our mission of *Sharing Hope and Happiness*

Wishing you and your loved ones a Happy and safe Thanksgiving

We will be closed: Wed Nov 22, Thurs Nov 23, Fri Nov 24, and Sat Nov 25 so our volunteers can enjoy the Holiday!

FLOWER THERAPY

These workshops are geared towards care facilties who are looking to engage their residents with a fun activity filled with smiles. Our trained volunteers guide participants to create their own floral arrangements. This simple activity promotes the use of fine motor skills, engages the senses, and creates a positive social setting. In the end, participants feel a sense of accomplishment. If you would like to offer your residents this fun activity or would like more details, please contact lisa@pofproject.org.

BUDS & BLOOMS

Are you looking for something new to do with your friends and family? Something that not only connects you through laughter and creativity, but is a way to give back and benefit the elderly and veterans in your community? How about hosting a Bouquet Creation Night? These parties can be hosted at a home, community center, library, etc. Each participant creates two bouquets: one to keep and one to donate to a care facility of your choice. If you, or someone you know, might be interested in hosting a Buds and Blooms, or if you would like more information, please contact michelle@pofproject.org

KINDNESS CONNECTION - THE VIP EXPERIENCE

In today's world, companies are looking for more engaged employees. One way to foster engagement at your company is through corporate social responsibility. Why not consider a fun teambuilding event that will benefit the elderly and veterans? Our VIP experience (Volunteer In Place) is a fun teambuilding event hosted on site. Employees create two bouquets, one to keep and one to donate to a care facility of the company's choice. If you would like more information please contact michelle@pofproject.org.
