

## Kindness Connections: A Volunteering-in-Place (VIP) Experience

### ● A SIMPLE CONCEPT

Your company gives back to the community by hosting a Kindness Connection VIP experience for up to 20 employees. The Power of Flowers Project brings fresh flowers and floral supplies to your location. Each participant makes two bouquets: one to keep and one to donate. Your group selects the care community to receive the donated bouquets.

### ● BENEFITS OF HOSTING A VIP EXPERIENCE

You don't have to leave the office, and you can elevate the bouquets by affixing company name and logo on each bouquet. Participants can create joyful messages to accompany the delivery. Your employees and community will know you care.

### ● WHY CHOOSE US?
